19	-	of reasons for detention hereafter set forth, finds
20	_	
21	that no condition or combination of conditions which defendant can meet will reasonably assure the appearance of defendant as required and the safety of other persons and the community.	
22‡	the appearance of defendant as required and t	he safety of other persons and the community.
	DETENTION ORDER PAGE -1	
	1	

FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

- 1. Defendant has been charged with a drug offense, the maximum penalty of which is in excess of ten years. There is therefore a rebuttable presumption against defendant as to both dangerousness and flight risk, under 18 U.S.C. § 3142(e).
- 2. Defendant poses a risk of flight because he does not have ties to this District, and has extensive ties in Mexico, and has an unverified release plan. Defendant is a danger to the community based on the nature of the instant offense, involving the distribution of large amounts of controlled substances. Defendant does not contest detention at this time. Defendant stipulated to detention without prejudice to reopening, which can be made by request of either party.
- 3. There does not appear to be any condition or combination of conditions that will reasonably assure the defendant's appearance at future Court hearings while addressing the danger to other persons or the community.
- It is therefore ORDERED:

- 1. Defendant shall be detained pending trial, and committed to the custody of the Attorney General for confinement in a correction facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal;
- 18 2. Defendant shall be afforded reasonable opportunity for private consultation with counsel;
 - 3. On order of the United States or on request of an attorney for the Government, the person in charge of the corrections facility in which defendant is confined shall deliver the defendant to a United States Marshal for the purpose of an appearance in connection with a court proceeding; and
